

# Pelican Hill Golf Pavilion

EVENTS OF EVERY KIND

## ALFRESCO ENTERTAINING

It's the perfect new venue for events of all types. The new Golf Pavilion at Pelican Hill® blends the beautiful surroundings of a Five-Star, Five-Diamond Resort property with generous event space to host an array of gatherings from large social parties and group functions to seamless pre- and post-golf outings.

Situated adjacent to the Golf Clubhouse, the inviting outdoor terrace at the Golf Pavilion pairs earthy terra cotta pavers with meticulous green grasses and charmed vista views. The space makes for comfortable, alfresco group breakfasts or luncheons, and it can be dressed up with a grand canopy tent for formal, intimate affairs, such as elegant dinners, award ceremonies and auctions.

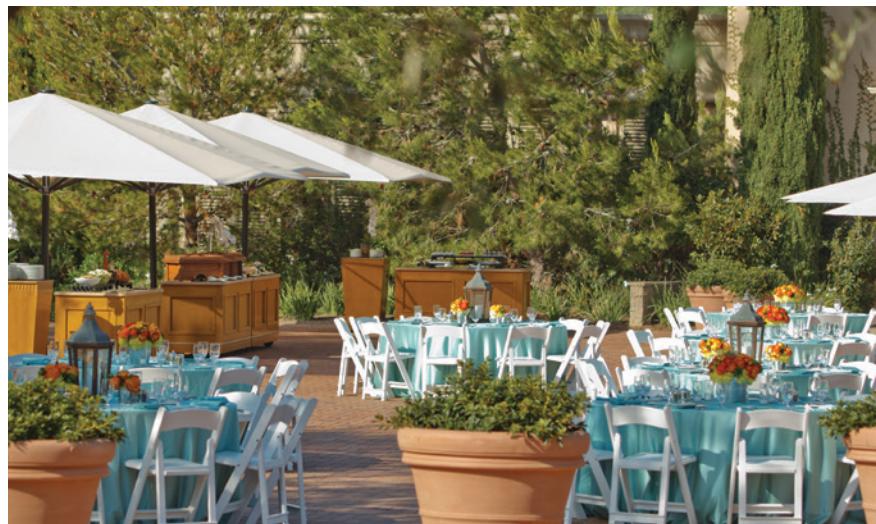

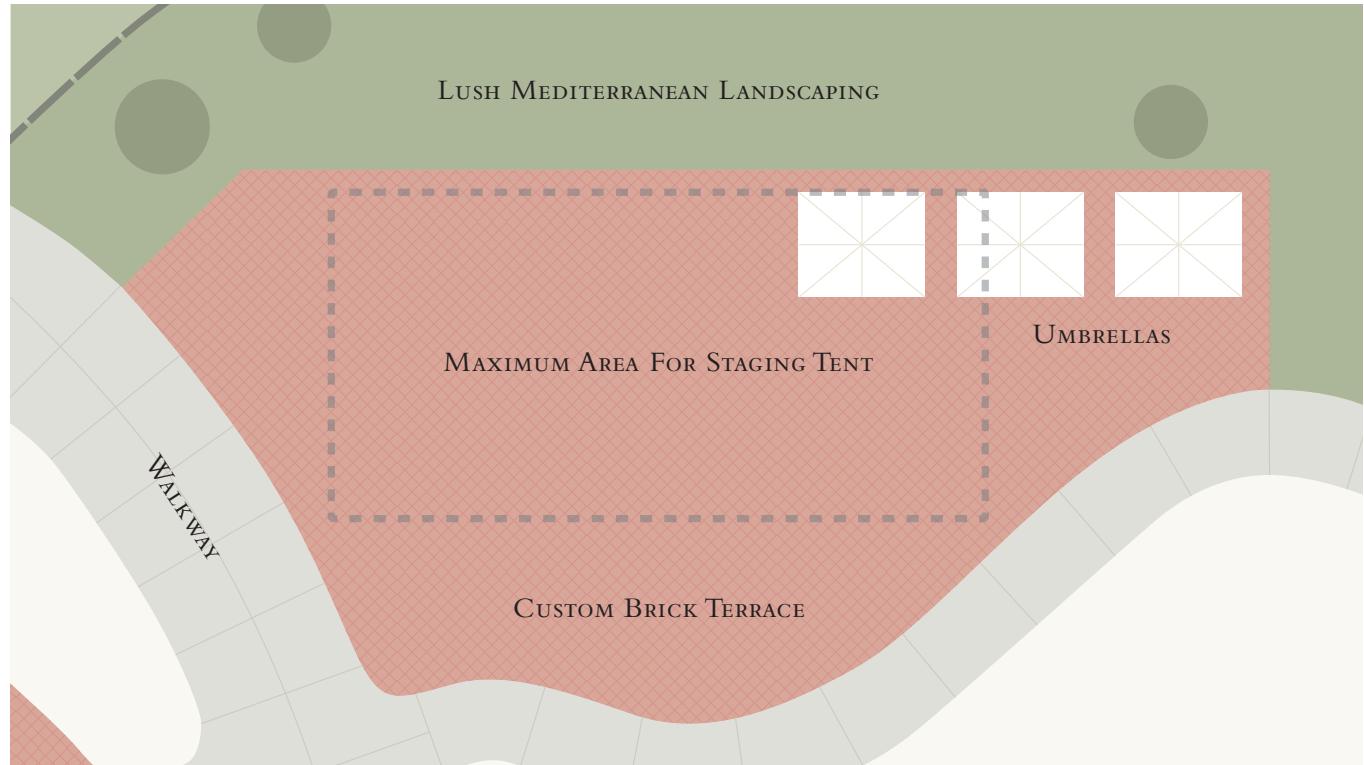

For golf tournaments, it's the quintessential venue to take guests from the last hole to an open-air barbecue. More than 7,000 square feet of space can comfortably accommodate up to 500 people at a reception or 300 guests seated for a buffet.

The new Golf Pavilion at The Resort at Pelican Hill®, located along the coast of Newport Beach in sunny Southern California, is now the largest event venue at the Resort—complementing the existing 20,000 square feet of space.
